FLOOR DEBATE

May 17, 2001

LB 853

make sure it got clarified and, Senator Beutler, I think, clarified that for you when he was speaking. But all this amendment does is moves Nemaha County down to the...the...with the rest of the corner of the state, moves it into District 5, that's all this amendment does. Thank you.

SPEAKER KRISTENSEN: Senator Bromm.

SENATOR BROMM: Thank you, Mr. Speaker. I think the discussion probably arises out of the fact that we just simply didn't...didn't see this on the horizon or didn't pay attention to what was filed, Senator Beutler, and are trying to figure out what it does and...and why it does and...but, in looking at it and after having a few minutes to try to absorb what the proposal is, I...I think it makes perfect sense. I think it's an improvement, really, to the map, to some extent. And so, unless I hear something to change my mind, I plan to support the proposal. It brings the population deviations a little bit closer. That isn't probably in and of itself a huge reason to...to support it, but all other things being equal and the lines looking a little better, it just seems like it's...it probably is...is a good amendment, I think. And so I certainly plan to support it. Thank you, Mr. Speaker.

SPEAKER KRISTENSEN: Senator Hilgert.

SENATOR HILGERT: Thank you, Mr. Speaker, members. I was going to call the question, but since everyone has had an opportunity to make their points rather clearly, I guess I won't at this time. Thank you.

SPEAKER KRISTENSEN: Senator Vrtiska.

SENATOR VRTISKA: Thank you, Mr. Speaker. And I see Senator Beutler has left, but I would like to address this to...Senator Beutler, if you would take a minute to listen, I would like to let you know that many of the things that you do, when you put up amendments, do confuse me, and this happened to be one of those. (Laughter) But after I had a visit with Senator Schimek, who I spent half an hour, last night, in the Capitol dome trying to find my way out with her and a couple other
